To Whom It May Concern,

I am writing this letter on behalf of Roers' Construction. Roers' Construction recently completed a project for my company, Western State Bank. As president of the bank, I was in charge of monitoring the progress of the project.

I am very pleased with the quality of work and dedication that Roers' put into our project. Roers' was in constant communication with me throughout the construction process and has continued to follow up after the completion.

I look forward to working with Roers' again in the future and would recommend them to my colleagues and friends. I invite you to tour our facility and see first hand Roers' workmanship. If you have any questions, or if I can be of further assistance, please contact me at 277-5003.

Sincerely,

Kevin Kragnes
President
